

Friends of Drake Well, Inc.

Choose your Friends membership:

FAMILY \$40.00

Family memberships allow you to bring your household all year long and enjoy the exhibits and grounds. You also receive discounted admissions to special events and 10% off in the museum store. You will receive the quarterly newsletter The Barker, and a copy of the award winning Oilfield Journal a collection of scholarly articles.

"ECO" FAMILY \$30.00

Eco memberships are designed for people, who want to visit all year long but would prefer their newsletter electronically. You still get discounted admissions to special events, and access to the picnic areas.

Saturday Family Fun

Herb Gardens to GO

June 25, 10-11:30

Even if your family can't tell parsley from chives, plant an herb garden together to enjoy all summer. And make and eat "dirt" sundaes, too!

Old Time Tastes

July 30, 10-11:30

Use old fashioned recipes on cards that you decorate with vegetable prints to make lemonade, ice cream and cookies to eat.

Portraits in Plastic

Aug. 27, 10-11:30

Create your family portrait or a picture of your favorite pet just like 19th century artists did, but using "modern" acrylic paint made from plastic.

Oil Spill Clean-up

September 24

2 Sessions:

9-10 or 10:30-11:30

Be prepared! Come learn how to clean up an oil spill and earn credit towards your Boy or Girl Scout Badge.

Historic Scarecrows

Oct. 29, 10-11:30

Bring your plastic bags, old clothes and hats and we'll recycle them into old fashion scarecrows spooky enough to keep goblins out of YOUR gardens this Halloween!

Drake Well Museum Saturday Family Fun Programs

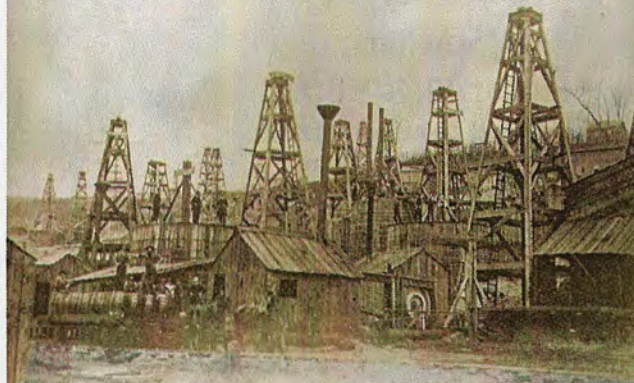

Each event is \$10.00 per participant for non-members and \$5.00 a person for Friends of Drake Well Members.

Who Are the Friends of Drake Well? FDW is the membership association that supports educational, interpretive, publication, and promotional programs at Drake Well Museum by raising funds through grant writing, Museum Store sales, and membership fees.

Sunday Family Fun

Historical Hikes
June 12, 10am

Come discover the Oil Creek Valley as we hike the 5 mile loop to Boughton Acid Works, Brewer and Watson Dam and the Hunt Lease.

Recycled Rockets July 10, 1pm

Water rockets have been a source of entertainment and education for many years. Reserve your spot on the launch pad today!

Building Stories August 14, 10am

What does it take to tell the perfect story? Come learn all the components you need to build your chronicle, with master storyteller Bill Stumpf.

Uncovering the Past September 11, 10am

Do you like to dig in the dirt? Find things that are lost? Put pieces together? These are all things archeologists do— maybe you're one, too! Join us as we dig into the past through a mock excavation.

Pioneer Cooking October 9, 10am

Pioneer cooking -revolved around the good things brought to the table by the family members through hard work and diligence. Join us and learn and sample some traditional recipes from the oil boom era.
