

Discovery Days 2018 Schedule of Activities

July 5: Who or What lives here?

9:00-9:30 The Morning Drill

9:30-10:30 Pennsylvania Animals: Explore animal signs, skins, furs, antlers, feathers and other animal clues to better understand Pennsylvania wildlife.

10:30-12:00 Discovering Wildlife Homes: Take a hike to discover the many places wildlife call home.

12:00-1:00 Lunch and Recess

1:00-2:00 Photography: Discover the residents of the Oil Region through photographs from past to present. Learn about the history photography and how it works.

2:00-3:00 19th Century Life: Experience what life was like in the 19th Century Oil Region. View everyday items from that time and put them to use.

3:00-4:00 Dress up & Photos: Dress as Oil Region residents of the past and create your own historic portrait.

July 12: Reduce, Reuse, Recycle

9:00-9:30 The Morning Drill

9:30-11:00 Finding Connections: Hike part of the Gerard Trail and study all the interconnecting relationships that man, plants and animals have with each other.

11:00-12:00 Plants That Help or Hurt: Identify plants that should be avoided and learn how others can help in many ways including survival.

12:00-1:00 Lunch and Recess

1:00-2:00 Pollution: Discover the various forms of pollution in the Oil Region, their effect on the environment and what can be done to stop or fix it.

2:00-3:00 Trash to Treasure: Create treasures from someone else's garbage.

3:00-4:00 Let's Pitch In: Clean up the park by picking up trash, creating gum bins and more.

July 19: Mixing Oil and Water

9:00-9:30 The Morning Drill

9:30-12:00 All Things Oil Creek: Use a net to discover stream creatures and establish the importance they have in our entire ecosystem.

12:00-1:00 Lunch and Recess

1:00-2:00 All Things Drake Well: Learn about why Drake drilled where he did, how a well works and the various forms of drilling

2:00-3:00 Moving Oil!: Discover how oil got from here to there. Create a pipeline, visit the Transportation exhibit and view the Ida Tarbell/Rockefeller exhibit.

3:00-4:00 What Does Oil Make?: Learn about refining and discover all the products that are made from oil.

July 26: Seek and Find

9:00-9:30 The Morning Drill

9:30-10:30 Nature Scavenger Hunt: A nature contest while looking for and finding common items found in the outdoors.

11:00-11:30 Bird Watching: Learn how to use binoculars while learning the common birds of Pennsylvania.

11:30-12:30 All Things Trees: Learn common trees of the area and discover their uses and the important part they have played in American history.

12:30-1:30 Lunch and Recess

1:30-2:30 Fossils, Fossils Everywhere: Learn how a fossil is created and work to discover one on site.

2:30-3:30 Artifact Discovery: Discover how an artifact goes from being discovered to going on display in a museum.

3:30-4:00 What Is It?: Handle artifacts and figure out what they are and how they work.

Please note that programs and activities are subject to change.

Exploration, adventure, discovery and creativity awaits YOU every Thursday in July!

Join Drake Well Museum and Park and Oil Creek State Park for our fun-filled Thursdays in July. Children ages 8-12 can participate in this day long, hands-on program and learn about the Oil Region's rich history and environment.

Each Thursday will be filled with engaging presentations by a wide variety of professionals and dynamic hands-on activities. Children will experience nature, perform experiments, discover history through artifacts and exhibits and so much more!

**Limited to 25 children per day.
Space will be filled on a first come, first served basis.**

Registration Fees

Friends of Drake Well, Inc. Members

\$20.00 per child per day or

\$75.00 per child for 4 days

***Visit www.drakewell.org for a full list of member benefits**

Non-members

\$30.00 per child per day or

\$100.00 per child for 4 days

Registration includes all daily activities, programs, handouts, crafts, Discovery Days tee-shirt, reusable shopping bag and more. Nutritional snacks and pizza lunch will be provided every Thursday.
