

SPONSORSHIP OPPORTUNITIES

Friends of Drake Well, Inc., invites your company/organization to consider sponsoring one or more of our six main events for 2024.

Our mission is to actively support the Pennsylvania Historical & Museum Commission (PHMC) in the operation and administration of Drake Well Museum and Park and its associated sites, Historic Pithole City and McClintock Well #1.

One way in which we fulfill our mission is by hosting events to promote the history and importance of Drake Well and Pennsylvania's petroleum industry. We also hold events that assist in funding the many projects and programs held at Drake Well Museum and Park for visitors and the community at large.

None of this would be possible without the support of our sponsors. We thank you in advance for your support of Drake Well Museum and Park and Friends of Drake Well, Inc.
