

2023 DISCOVERY DAYS

Exploration, adventure, discovery and creativity awaits
YOU every Thursday in July!

Join Drake Well Museum and Park for our fun-filled Thursdays in July. Children ages 8-12 can participate in these day long, hands-on program and learn about the Oil Region's rich history and environment. Each Thursday will be filled with engaging presentations by a wide variety of professionals and dynamic hands-on activities. Children will experience nature, perform experiments, discover history through artifacts and exhibits, and so much more!
